Presentation

Three activities in two days to taste the huge potential of summer activities in the Tarentaise Valley. You are going to live Tarentaise by Tarentaise Tours. You start from by a quiet and easy mountain biking downhill run by the villages and the tracks along mountains to reach the border of the Isère River, in Bourg St Maurice. After a nice pic-nic you enjoy the pure experience of 24 km down of rafting on the river. An unique moment full of sensations and fun! On the evening, you appreciate the Tarentaise Valley with the great and authentic welcoming in the hotel Le Monal in Ste Foy: gastronomy, atmosphere...all is here to spend a great moment. The program will continue on the second day by the Via Cordata experience: between climbing and via ferrata, you will discover a new activity and new feelings in the wonderful landscape of the Crot Valley.

The "best" of the program: Live a great sum up of Tarentaise Valley possibilities in summer, just in 2 days!
