

Event

From 21-23 January, the Ultimate Test Tour will stop off at Sainte-Foy Tarentaise.

This travelling event attracts big-powder enthusiasts for a series of new product tests, free of charge. Twenty-plus exhibitors will attend, ranging from the top freeriding brands to artisans who hand-craft one-off pairs of skis in their workshops. It's a must-grab opportunity to preview the hot items in the 2011-2012 freeriding, offpiste and backcountry ranges – and also to carve some clean curves on the gorgeous virgin slopes of Sainte-Foy Tarentaise.
